

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

June 1, 2010

On June 7, 2010, Rolling Hills Country Day School will hold its annual "Olympic Day" event to honor and promote the cultural diversity of the school's student body and of the world. This day is a celebration of athleticism through numerous activities and events where each grade level ranging from Kindergarten to Grade Seven sponsors a country and shares the customs, culture and even a traditional dance from that country with the rest of the student body. This event lasts an entire school day. This event will require the use of 120 spaces in the Botanic Garden parking lot from 7 AM to 3 PM.

I, THEREFORE, MOVE THAT The Board of Supervisors waive the parking fee for this program in the amount of \$815.
